25X1

5. At 1935 on 22 June, a train of an undetermined number of flatcars with more than 20 tank trucks, [redacted] was observed between Dergenthin and Mittenberge. The train headed north. 3 25X1

1. [redacted] Comment. These troop trains with AAA units were previously 25X1

25X1

2. [redacted] Comment. On 6 May, the 953d AAA Bn of the 207th Mtz Rifle Div had transferred from Tangermünde to Wustrow on two trains. 25X1

[redacted] The first components of the battalion probably returned to their military post on 21 June. 25X1

3. [redacted] Comment. The tank trucks probably belonged to the 18th Mech Div. 25X1

4. [redacted] Comment. Observations at Oranienburg and Frenzlaue indicated that, between 25 and 28 June 1954, components of the 25th Tk Div, probably the unidentified motor transport battalion and the unidentified tank training battalion, transferred to the barracks installation northwest of Berliner Strasse [redacted] in Frenzlaue. The concentration camp [redacted] and the SS Kaserne [redacted] at Sachsenhausen apparently and vacated and will probably be handed over to the KVP. 25X1
25X1

5. [redacted] Comment. [redacted] the two troop trains carried units of the 31st AAA Div. 25X1
